Follow the instructions below to **cancel** your KidKare subscription. We hope to see you back again soon!

Required Permissions: You must have the **Site Details** permission enabled on your account to edit subscription information.

1. From the menu to the left, click **Administration**.
2. Click **Site Details**.
3. Click the **Subscription** tab. If you are on Single Page view, click **Edit** in the Subscription Details section.
4. Click **Modify Subscription**.
5. Select the module to cancel.
6. Click **Confirm Changes**.

Notes: KidKare Food Program subscriptions require a 12-month commitment. Your subscription will continue until the end of the subscription period. Cancelling your subscription will prevent it from renewing at the end of the subscription period. If you are signed up for the free trial and you do not wish to continue after your trial is up, you must cancel your subscription to avoid being charged. You will then have access to your account until the last day of your subscription. Click [here](#) for pricing information.
