

Assign Monitors to Centers

Last Modified on 07/13/2023 1:44 pm
CDT

You must set up staff members who conduct site visits should be set up as monitors in Minute Menu CX. Once you set up monitors, you can assign them to specific centers in the Oversight tab in the Manage Center Information window.

Designate Monitors

1. From the menu to the left, click **Tools**.
2. Click **Sponsor User Permissions**.
3. Click  next to the user to update. The User Details page opens.
4. In the **System Access** section, check the **Monitor** box.

The screenshot shows the 'User Details' page with the following sections:

- User Information:** First Name (Dalton), Middle Name, Last Name (Peter), Email, Phone (with area code and Home dropdown).
- Address:** Street, City, State (dropdown), Zip Code.
- System Access:** User Role (Office Staff), Monitor, Reset Permissions button, Username (testabc123), Password (Click to Reset).
- Demographics:** Date Hired, Termination Date, Gender (Female/Male buttons).

At the top right, there are 'Cancel' and 'Save' buttons. The 'Monitor' checkbox in the System Access section is highlighted with a blue box.

Click **Save**.

5.

Assign Monitors to Centers

Now, assign monitors to specific centers.

1. From the menu to the left, click **Center Management**.
2. Select **Manage Center Information**.
3. Click the **Select Center** drop-down menu at the top of the window and select the center to which to assign a monitor.
4. Click the **Oversight** tab.
5. In the **Site Monitoring Info** section, click the **Monitor** drop-down menu and select the monitor to assign to this center.

When Processing, Skip Menu Edit Checks: No
