When you have both Parachute and KidKare, you will see a different screen when you login. From this screen, you can navigate to view your Food Program account or navigate directly to Parachute.

## If you have a KidKare account through your Food Program Sponsor:

1. Click the **Food Program** button to view your KidKare Food Program account.
  - The left hand navigation panel will now be green, but otherwise all of your features are the same.
2. To navigate to Parachute click the Food Program button in the upper left hand corner, then click the **Parachute** button in the dropdown.
3. This is also where you will log out of the software.

## If you only have a Parachute Subscription:

1. Click the **Parachute** button to view your Parachute account.
2. To manually add menus or update internal calendars click the **Parachute** in the upper left hand corner, then select **Food Program** in the dropdown.
3. This is also where you will log out of the software.
