You can control several different aspects of KidKare for your sites on the Settings page. Note that any settings here apply to all sites under your account.

1. From the menu to the left, click  . The Settings page opens.

The screenshot shows the 'Settings' page with three main sections:

- General Settings:**
 - Would you like to require center staff to certify the accuracy of attendance when saving Attendance & Meal Counts in KidKare? Yes
 - Do you want to remind users (Daily Menu/Menu Calendar User Interface) if the actual quantities served are less than the required quantities? Yes
 - [Edit Welcome Letter Template](#)
- eForms Settings:**
 - Who can approve enrollment forms?
 - Who can approve income eligibility forms?
 - Who can send new enrollment requests?
 - If a parent completes infant feeding details do you want to indicate that the infant form is on file for the child? Yes
 - If a parent indicates they participate in SNAP, would you like to require them to provide their SNAP number for validation? Yes
 - Would you like to require SNAP/TANF number validation for parents to submit their forms? Yes
 - Would you like to disallow or warn the parent of incorrect formatting?
 - Would you like to hide the 'Open Online Forms' button? Yes
- Center Access:**
 - Kids Yes
 - Food Program Yes
 - Calendar Yes
 - Claims Yes
 - eForms Yes
 - Reports Yes
 - Setup Yes
 - Messages Yes

2. In the **General Settings** section, you can:

- Click the **Would you like to required center staff to certify the accuracy of attendance when saving Attendance & Meal Counts in KidKare?** to add a pop up after they save meals and attendance to confirm their entries are true to the best of their knowledge.
- Click the **Do you want to remind users (Daily Menu/Menu Calendar User Interface) if the actual quantities served are less than the required quantities?** to trigger a visual alert for your users. (This only applies if policy M. 01 is set to **Yes**)
- Click **Edit Welcome Letter Template** to edit the email that your center directors receive when you create their new KidKare account.

3. In the **eForms Settings** section, click  next to each option to enable it or select an action item in the drop down provided. You can change settings for the following:

- Who can approve enrollment forms? Site, Sponsor, or Both.
- Who can approve income eligibility forms? Site, Sponsor or Both.
- Who can send new enrollment requests? Site, Sponsor, Both.
- If a parent completes infant feeding details do you want to indicate that the infant form is on file for the child?

- If a parent indicates they participate in SNAP, would you like to require them to provide their SNAP number for validation?
- Would you like to require SNAP/TANF number validation for parents to submit their forms?
 - Would you like to disallow or warn the parent of incorrect formatting?
- Would you like to hide the "Open Online Forms" button?

4. In the **Center Access** section, click  next to each option to enable it. If these options are disabled, the sites will not have access to these sections when they login to KidKare.
