

Navigate KidKare

Last Modified on 05/12/2022 9:39 am
CDT

You access all KidKare features from the menu to the left of the page.

- Click  to collapse the menu and provide more space in the main window.
- Click  to change the language in which KidKare displays.
- Click  to return to the Kids page.
- Click the **Filters** button in the top-right corner to adjust page filters and sorting (where available).

Note: The menu is collapsed on mobile devices by default. To expand it, tap  in the top-left corner.
