

Paying Invoices Online

Last Modified on 02/07/2019 1:20 pm CST

Let your child care provider know that you'd like to pay your invoices online, and they can set up a KidKare account for you. Your provider will email you a link to get started. Click the link in the email to set up your KidKare account.

Once you have created your account and are logged in to KidKare:

1. From the menu to the left, click **Accounting**. Your invoices display.
2. Click the invoice to pay. The invoice details open.
3. Click **Make Payment** at the bottom of the invoice.
4. Enter your credit card details.
5. Click **Pay**.

***Notes:** To pay by ACH, you must first set up your bank account. For more information, see [Set Up Your Bank Account](#) . You can also set up auto-pay. For more information, see [Set Up AutoPay](#) .*
