

Center Menu Reports

Last Modified on 12/19/2023 11:26 am
CST

The following Menu reports are available. This list is not comprehensive.

- **Center Monthly Menu Plan:** This report prints your centers' menu plans for the selected claim month.
- **Center Weekly Menu/Non-Infants Only/Infants Only:** This report prints a single center's weekly menu plan. You can print this for a single week or the entire month.
- **Master Monthly Menu Plan/Non-Infants Only/Infants Only:** This report prints master menus for the selected claim month.
- **Menu Production Record:** This report lists the amount of food centers need to serve and purchase to adequately serve children in their care.
- **Weekly Quantities Required Per-Center/All Centers:** This report lists the amount of food required weekly for the selected center/all centers.
- **Menu Notes Report:** This report prints any notes centers entered when recording menus. It is divided into non-infant notes and infant notes.
- **Daily Transportation Log:** This report is a blank log for food transportation. It provides space to record the driver, route number, food temperatures, delivery times, and so on.
