### April 3, 2024

#### All KidKare Users

**FIXED:** Race and Ethnicity are now required fields when sponsors edit children from Observer Mode (when policy is set this way)

**FIXED:** Georgia IEF Forms printing children in Part II vs Part 1

**UPDATED:** Enrollment/IEF Form button under child image pulls corrected and updated enrollment forms

### April 18, 2024

#### All KidKare Users

**UPDATED:** Leafy Greens now have their own Food Quantity type to ensure proper calculations for raw leafy greens.

**ADDED:** Milk allergies not have an expiration date. Once allergy expires, participants milk served will be calculated as whole or 1%/skim depending on age.

**ADDED:** New option for meal delivery/pickup tracking and reporting including temperatures and digital signatures for open enrolled sites.
